GLENDALE NEEDS INFLUENCE OF OPTIMISTS, ASSERTS EVANGELIST BROWN IN HIS OPENING ADDRESS

Declares He Needs Prayers, but Not to Keep From Having Blues; Urges Smiles, Encouragements

TABERNACLE PROGRAM

Today

7:30 p. m.—"Killing Lions," a great sermon for boys.

Tomorrow

10:00 a. m.—"Trouble Borrowers," for people who borrow trouble.

7:30 p. m.—"Judge Lot and the Lot Family," a subject interesting to all.

John E. Brown, evangelist, arrived in Glendale yesterday afternoon, having come down by auto from Hanford, where he has closed a successful campaign. Monday night, by actual count, there were ninety-one young men and boys at the inquiry meeting, following the regular service. Notwithstanding his arduous labors, Rev. Brown appears in the best of health. He is considerably stouter than when he was here in Glendale six years ago and consequently wears a broader smile. He was delighted to meet the Glendale friends whose acquaintance he formed during his previous engagement. He said he had looked forward with genuine pleasure to coming back. Following a solo by Choir Leader Ironmonger and an introduction by Dr. C. M. Crist, Rev. Brown last night announced as his topic, "Under the Juniper Tree." Scripture text, I Kings, 19-4, "But he himself went and came to sit down under a juniper tree and he requested for himself that he might die, and said, 'It is enough. Now, O Lord, take away my life, for I am not better than my fathers.'" Rev. Brown said, in part:

The old hymns, which have endured for centuries, will still endure when the present jazz craze is but a dim memory, according to Otis D. Ironmonger, choir leader, associated with Rev. John E. Brown, who is holding evangelistic meetings in the tabernacle.

"I have tried a crowd in community sings with some of the latest popular songs," said Ironmonger, "and then had the same crowd sing some of the familiar hymns, which have been invariably received with much greater spirit than were the popular songs. I believe that any good song may be made as effective in many instances as a sermon."

Ironmonger's experience in music has been varied. He has been trained at the Moody Institute in Chicago in band work as a solo clarinetist, was a member of the National male quartet.

a day's journey into the wilderness and came to sit down under a juniper tree and he requested for himself that he might die, and said, 'It is enough. Now, O Lord, take away my life, for I am not better than my fathers.'" Rev. Brown said, in part:

P. E. Redondo Barns Destroyed By Fire

LOS ANGELES, April 20.—Fire evidently caused by crossed electric wires destroyed the Pacific Electric company's car barns at Redondo Beach at dawn today, entailing damage estimated at \$225,000.

Numerous gasoline explosions aroused residents of all sections of the beach city.

Nine large passenger cars were consumed with the long, flat structure.

Hear Those Moans? Hear Those Groans? It's Saxophone Blues

Those moaning, groaning saxophones.

Four of them were in harmony every once in a while.

All practicing for the American Legion minstrel show which is to be staged at an early date.

The saxophone quartet is only one of the features being prepared. Besides the band and orchestra, there will be a male quartet, a half dozen peerless end men and several specialty numbers.

In the meantime, residents in the vicinity of the American Legion clubrooms will enjoy (?) the rehearsals which caused a policeman to wander in last night to see whose cat was being strangled.

Here's Quick Action

E. J. Warren, realtor of 217 North Brand boulevard, bought a Buick motorcar at 11 o'clock from Tanner & Hall, Ltd.

At 11:30 he had C. L. Booth insure the machine, effective at noon.

At 12:20 while proceeding north on Brand boulevard from the Buick agency, a car, backing away from the parking opposite The Glendale Evening News office, smashed the front of the new machine.

Failing to realize the effectiveness of insurance in such a short time, it was necessary for Mr. Booth to find Mr. Warren and ask him to accept a check for \$85, the amount of the damage.

"I thank you," was the reply.

R. M. McGee Candidate For Trustees' Board

With the announcement that R. M. McGee, one of the pioneer merchants of Glendale, has thrown his hat in the ring for City Trustee at the municipal election which will likely be called for June 28, provided the new city charter is approved by the state legislature, the political pot in Glendale has begun to boil.

Former service men are backing the candidacy of Dwight W. Stephenson, incumbent president of the board, for re-election, and many names are already signed on a petition asking that he be retained.

It also is understood that Spencer Robinson and A. H. Lapham, members of the board now, will come up for re-election.

According to current reports, Chief of Police J. P. Lampert will terminate his successful administration of the peace in this city with the retirement of the present municipal regime. About other officers little is known as to their intentions as they are undetermined possibly as to what course they shall pursue at this time.

Without watching the way the wind blows, Mr. McGee has jumped into the race and is determined that he shall be able to look from the city hall toward his store once a week, rather than looking from the store at the city hall all of the week. It is the first office he has sought and a host of friends have assured him their support in the campaign.

Mrs. Pearl Moore Is Hostess Behalf Club

The Nimble Finger club, which is the sewing circle of the Daughters of Veterans, and of which Mrs. Gertrude Griffin is president, met last night at the home of Mrs. Pearl Moore, 1259 South Maryland avenue. Mrs. Griffin presided at the business meeting.

A congenial group of people were present and devoted the greater part of the evening to needlework. A lovely comfort, which the ladies finished some time ago, was disposed of, the same going to W. M. Crawford. Dainty refreshments of chocolate and cake were served. Mrs. Moore was assisted by Mrs. Susie Peck and Mrs. Hattie Tiffany.

Glendale Day In Music Week Suggested By Mrs. Charles L. Marlenee, Of Tuesday Club

Mrs. Charles L. Marlenee of 301 South Central avenue, curator of the music section of the Tuesday Afternoon club, attended a conference in Los Angeles yesterday of the heads of all the various music clubs of the different cities in Los Angeles district. At that time plans were made to have what will be known as Los Angeles Music Week the last week in May. Every city in this district will be represented on the various programs to be given during that week, in the mornings, afternoons and evenings. Mrs. Marlenee is very anxious to have one day of that week set aside as Glendale Day, to be held here in Glendale. On this day it would be planned to have the different musical organizations of this city furnish music for the shut-ins, those who cannot attend the clubs and thus enjoy the musical programs given there. Anyone interested in this Glendale Music Day project should communicate with Mrs. Marlenee.

LOCAL CLUB WOMEN PRESENT PROGRAM AT CONVENTION

MRS. O. E. VON OVEN AND CAST DESERVE GREAT CREDIT FOR FINE SHOWING

The ladies of Glendale were again afforded an opportunity of displaying and proving their talents yesterday afternoon when the Shakespeare section of the Tuesday Afternoon club presented a three-quarters of an hour program by request at the convention of the Los Angeles District Federation of Women's clubs, which is being held at Pomona.

Those from Glendale who attended yesterday morning's session of the convention included Mrs. C. E. Hutchinson, president of the Tuesday Afternoon club; Mrs. Mabel Franklin Ocker, Mrs. H. E. Bartlett and Mrs. O. E. Von Oven. Routine business and the roll call of clubs took up the greater portion of the morning.

Reports Are Presented

Mrs. Hutchinson, as president of the local club, gave a report on the work that had been done by that organization during the year. About 100 reports from 178 clubs were given, representing close to 22,000 clubwomen from Los Angeles, Inyo, Ventura, Santa Barbara and San Luis Obispo counties.

The afternoon program of reports, greetings and assembly singing was followed by the entertainment by the Glendale ladies. The following presentations were given:

"Taming of the Shrew"—Catherine, Mrs. Calvin Whiting; Petruchio, Mrs. A. H. Montgomery; Grumio, Mrs. O. E. Von Oven; Hortensio, Mrs. Walter Jones; Vincentio, Mrs. E. L. Yard; the tailor, Mrs. B. Holbrook. "Macbeth," sleep-walking scene—Lady Macbeth, Mrs. H. W. Ralston; gentlewoman, Mrs. Colin Cable; the doctor, Mrs. C. L. Canfield.

Much Credit Is Due

Much praise is due Mrs. O. E. Von Oven, curator of the Shakespeare section, and the members of her cast, who gave much of their time and energy to make the presentation the success that it was. Favorable comments were heard from all who attended yesterday afternoon's session.

C. E. Kimlin Leaves To Oppose Measure

C. E. Kimlin, business manager of the Glendale Sanitarium and Hospital, is one of a delegation leaving southern California last night for Sacramento where a protest will be made to the legislature against the passage of a law "regulating" hospital student nurses.

The proposed law, already favorably reported out of an assembly committee, provides, in brief, that hospital student nurses shall be governed by practically the same regulations in effect in factories and similar establishments where women are employed. Hospital heads throughout the state are declared to be opposed to the contemplated measure.

John Robert White, assemblyman of Glendale, was the first to call the attention of Mr. Kimlin to the proposed law. Assemblyman White wrote to Mr. Kimlin and the latter immediately conferred with heads of various hospitals in Los Angeles who had not yet heard of the measure. As a result, an organization was perfected and six delegates, of whom Mr. Kimlin is one, were selected to go to Sacramento to oppose the suggested law.

"Assemblyman White certainly shows that he is 'on the job' every minute," said Mr. Kimlin, just before leaving for the capital. "He saw the dangers in the proposed measure and sent out the warning. As a result, we are in a position to give numerous reasons why it should not be favorably acted upon by the legislature."

Today's World News In Brief

(By United Press to Glendale Evening News)

HERE IS STANDING OF CHESS CHAMPIONSHIP CONTEST

HAVANA, April 20.—The chess championship score here stood today: Champion Lasker, won none, lost three, drawn ten. Jose Capablanca, won three, lost none, drawn ten. The thirteenth game was drawn at the twenty-third move.

WETS OF ONTARIO MAY CONTEST ELECTION RESULTS

ONTARIO, April 20.—"Wet" forces of Ontario may contest the validity of Monday's election, when the province voted by nearly 200,000 majority to prohibit the importation of intoxicating liquors, it was intimated today. The new dry law is expected to become effective in three months.

OPENING PRICES LITTLE CHANGED FROM TUESDAY'S

NEW YORK, April 20.—Lack of developments in the news generally affecting stock market prices was reflected in the opening quotations on the New York exchange today. Prices were little different from those quoted during final dealings Tuesday. Mexican Petroleum, which was up 1 to 145 5-8, lost most of its gain shortly after the initial quotation. Sugar stocks were lower.

CALLS CONFERENCE IN REFERENCE TO POSTAL SERVICE

WASHINGTON, April 20.—Postmaster General Hays today announced he had called a conference of the presidents and other officers of the seven unions connected with the postal service. The conference will meet tomorrow to discuss establishment of a welfare service for the postal system. Hays made it plain that it was part of his plan to "humanize the postal service." The appointment of a welfare director for the department may be one of the results of the conference.

DRIVE IN BEHALF OF 'IRISH REPUBLIC' IS PROPOSED

CHICAGO, April 20.—The national headquarters of the American Association for the Recognition of the Irish Republic today started an intensive nation-wide drive to enlist a million new members. This followed the close of the two-day convention in which 5000 delegates from all over the country participated. Resolutions asking congress to recognize the Irish "republic" were passed during the closing hours of the convention. Edward L. Doheny, millionaire oil man of Los Angeles, was elected president of the association.

HARDING SEEKS RELAXATION UPON GOLF LINKS TODAY

WASHINGTON, April 20.—Following his hurried trip to New York and back, President Harding today sought relaxation on the golf links. The president left the White House before 8 a. m., and motored to the links. Harding reached Washington about 10:30 last night and went to Knights of Pythias hall here for a short speech at the anniversary celebration of the order. He declared that was would end if the fraternalism as taught by the order could be made the guiding principle of nations.

GREAT SHIPPING STRIKE ON MAY 1 DEEMED PROBABLE

NEW YORK, April 20.—With operators and employees apparently deadlocked on the question of a wage cut, the prospect of a great shipping strike May 1 loomed today. The American steamship owners' association announced that a wage reduction of 20 per cent to 30 per cent will be put into effect on that date, when the present agreement expires. Various branches of the International Seamen's union already have officially informed the operators they will not accept the cut and have presented counter demands. Andrew Furuseth, president of the union, said the other organizations would take the same stand. There are about 110,000 marine workers on both coasts and the Great Lakes. Seventy thousand of these are now working.

DRYS WIN IN FIGHT IN STATE SENATE AT SACRAMENTO

SACRAMENTO, April 20.—The drys won in the senate late yesterday when the wets attempted to put back the election clause into the Wright prohibition enforcement act. The senate concurred in the senate public morals committee's action in striking out the clause which had been incorporated in the bill by the assembly. It then voted down a similar amendment by Senator Harry Chamberlin. The measure now goes to third reading for final vote. The Brooks' bill establishing county boards to supervise dancing and boxing was defeated in the assembly late yesterday. The governor's reorganization measures are on the file for action today in the senate. The Ream bill appropriating \$200,000 for a bridge over the Klamath river near Requa, Del Norte county, was passed by the assembly last night. The senate late yesterday adopted the Inman resolution to Governor Stephens calling for a special session of the legislature to consider reapportionment.

DEMANDS CONGRESS PROBE AGRICULTURAL CONDITIONS

WASHINGTON, April 20.—Congress should defy the "assistant government" and make a thorough inquiry into the causes of and remedies for the present agricultural situation, Charles S. Barrett told the National Farmers' union in opening its convention here today. "Assistant government" Barrett described as that concealed agency which works night and day in interests of its clients' and which is bending agriculture "almost to the breaking point." "Every day and every hour," Barrett said, "the farmer is urged to keep the political faith, to refrain from the practice or advocacy of radicalism, to be silent while great interests are artificially diminishing the value of his products or are engaged in disemboweling the government bonds which he was assured would be worth 100 cents on the dollar." The plight of the farmer is desperate, Barrett continued, and on its solution depends the solution of other important problems. The farmer, Barrett charged, has been discriminated against by those controlling the country's finances, preventing him from getting credit, and agriculture has not been afforded the same transportation facilities as corporations. He urged these conditions be corrected; that measures be taken to end farm tenancy; that laws enabling farmers to form co-operative societies be passed, that the meat packers should be compelled to yield to government regulation and that the packers and the country be constantly acquainted with the operations of the packers and "other aggregations of capital engaged in distribution of food, clothing, fuel and fertilizer."

Games Are Interesting

The party assembled at 8 o'clock. Several interesting games had been arranged by the entertainment committee, of which Miss Martha Barrett, Miss Connie Hutchinson and Miss Lorna Galer were members. The first game of the evening was a guessing contest. Fifteen illustrations of nationally advertised products were on display, the one guessing the largest number winning the prize.

Mrs. Harriet Hopkins and W. M. Newton were tied for the first prize, each having guessed fourteen of the fifteen advertisements correctly. Upon drawing for the prize it was (Continued on Page 3)

John A. Roper, Oldest Odd Fellow, Is Dead

John Augustus Roper, probably the oldest Odd Fellow in point of membership, died at the home of his daughter, Mrs. J. F. McIntyre, 135 North Cedar street, this morning at the age of 99 years. He was born in Sterling, Mass., on April 27, 1820, and moved to Wisconsin in May, 1848. Five years later on April 17, 1853, he wedded Emeline Tyler who preceded him in death by two years. Retiring from the farm, Mr. Roper moved to Spokane, Wash., in 1907, and came to live with his daughter here in 1910. In 1853 he became a member of the I. O. O. F. lodge and was a regular attendant of the local order up until last week when he was taken ill.

Two daughters, Mrs. J. F. McIntyre of this city and James Dismukes of Los Angeles, and two sons, M. G. Roper of Tacoma, Wash., and J. A. Roper, Jr., of Spokane, Wash., survive. Funeral services will be held from Pulliam & Kiefer's chapel tomorrow afternoon at 2 o'clock, the Rev. C. R. Norton officiating. Interment will be in Grand View Memorial park.

J. B. LaRock, Redondo Beach Trustee, Here

J. B. LaRock, for the past ten years a prominent resident of Redondo, is now a resident of Glendale. He has, with his wife, taken up his residence at 803 East Wilson.

Acting on the advice of his physician, who told him to look for a location away from the beach, Mr. LaRock finally decided to come to Glendale. He was subject to repeated attacks of pneumonia.

Mr. and Mrs. LaRock's home at 724 South Catalina avenue, Redondo, was sold to Captain Charles L. Smith.

Mr. LaRock has been serving as city trustee at Redondo for some time, he having been appointed to the position when Harry Brolaski lost the position by continued absence from the city.

Mrs. LaRock has at all times given of her best efforts in any drive or enterprise for Redondo's welfare. The LaRock home at the beach was one of the most hospitable in the city and has been the scene of many delightful gatherings.

Mr. LaRock is getting around again after an illness of several weeks.

NASH SIX REDUCES
ROAD MARK FROM
L. A. TO BISHOP

E. B. SUTTON, LOCAL AGENT, IS
PROUD OF PERFORMANCE
OF STOCK MACHINE

Slicing nearly an hour from the
road record from Los Angeles to
Bishop, the Nash Six stock touring
demonstrator that two months ago
established the Los Angeles and
Phoenix round trip record is in the
public eye again.

For yesterday it made the trip to
Bishop in the extraordinarily fast
time of 7 hours, 22 minutes and 11
seconds as against the previous re-
cord of 8 hours and 9 minutes.

"This is another achievement of
which I am proud," said E. B. Sut-
ton, in telling what the record means
to The Glendale Nash Sales. "In our
demonstrations we are emphasizing
the fact that stock cars, taken right
off of the showroom floor, perform
in this manner."

The Nash Six which made the trip
was sent out by the Troy Motor Sales
company of Los Angeles and driven
by E. T. McConner, with A. B. Mar-
shall as mechanic.

Previous Mark Is Lowered

It left the Western Union office at
808 South Spring street at 3:56 a. m.
and the run to Mojave was made in
2 hours, 4 minutes, cutting 41 min-
utes off the previous record for that
trip. The final check at Bishop, as
well as those at Los Angeles and
Mojave were made by Western Union
representatives.

The big car on its wild night
flight flashed through Glendale on
San Fernando Road about 4:10 a. m.
yesterday morning and from here on
it went through the San Fernando
valley to Saugus, through Mint Can-
yon to Palmdale, Lancaster and Mo-
jave; then to Indian Wells, Little
Lake, Lone Pine, Independence, Big
Pine and Bishop.

In establishing this record, Mr.
Sutton adds, it brings Glendale with-
in seven hours of the Owens valley
where fishing and hunting and scenery
will answer your "Call of the
Open Road."

GIRLS' SOCIETY OF
ST. MARK'S HOLDS
SOCIAL NIGHT

MISS MABEL EVARTS' HOME
IS SCENE OF JOLLY TIME
TO MEMBERS, GUESTS

(Continued From Page One)
awarded to Mr. Newton. Upon open-
ing the prize package it was found
to contain 13 cents.

The next game also provided much
merriment for this jolly group of
young people. Upon matching num-
bers which had been distributed to
the young ladies and young men the
latter were provided with newspa-
pers and pins and were to construct
a gown for the young lady whose
numbered slip corresponded to his.

After a specified time limit the
judges examined the workmanship of
the newspaper costumes and decided
that Ray Spink had shown the great-
est skill in making quite a stylish
evening gown, his model being Miss
Beatrice Volker. The prize awarded
Mr. Spink was a powder puff. The
second prize was awarded Mr. Erb,
whose model was Miss Thomas. This
prize consisted of a box of rouge with
tiny puff. The third prize, a lip
stick, was awarded Mr. Newton,
whose model was Miss Connie Hutch-
inson.

Packages Are Discovered

Miss Gertrude Champlain then
played several delightful piano se-
lections, after which the guests were
told to adjourn to the front porch for
five minutes. At the end of that
period, upon entering the house, they
were told that three packages were
hidden in the dining and living room
and were told to find them. Miss
Barnett found the first package,
which upon opening was found to
contain a mock diamond ring, with
the admonition that she was to be
married soon. The second package
was found by Mr. Sullivan, and was
found to contain 5 cents with the
prophecy, "You will acquire wealth."
The third package was found by Mr.
Clotiaux, and contained a thimble
and the statement, "You will remain
unmarried."

The young folks then joined in
singing. Miss Champlain furnished
piano accompaniment.

Refreshments of sandwiches, cof-
fee and various kinds of cake were
served.

There will be no regular meeting
of the Girls' Friendly society next
week, owing to the fact that the
Girls' Friendly of the Pro-Cathedral
of Los Angeles are planning to pre-
sent a play that evening and which
a number of the Glendale members
expect to attend. The next regular
meeting of the Girl's Friendly soci-
ety of Glendale will meet in the guild
hall of St. Mark's church the first
Tuesday in May.

Evangelist Brown, In
Opening Talk, Optimist

(Continued From Page 1)

brighter light for the pew, but a
steadier light for the pew. The hard
headed man of the world is going to
judge the church just as he judges
values in other lines. He wants to
"see the goods." Preserves, not
pickles, smiles, not frowns will at-
tract him. If you have found some-
thing to sweeten your life look at it,
show it, shine it. God can save us
from the blues. From periodically
visiting the Juniper tree.

Gives Three Reasons

"Let me give you three reasons
why we have no business there:
"First—Because God lives. The
battle is His and everything works
for our good, no matter what
threatens. Is it drought? God lives.
Is it frost? God lives. Does anar-
chy spread? God lives.

"Second—We cannot judge our
worth, our work or our value if we
are in the divine order and doing
our best. We sow the seed, but we
may not behold the fruitage, the
harvest. At one of my engagements
there was apparently no results at
all. And, yes, I got under the Jun-
iper tree. Before I knew a better
way. But months after came a re-
port. That as an outcome of these
efforts a men's Bible class was
formed which grew to 1200 members
and a building costing \$75,000 was
erected for their use.

"Third—Stay out from under the
Juniper tree because optimism is con-
tagious. You radiate an atmosphere.
And Glendale needs the influence of
optimistic men and women."

Additional Clerk At
Variety Store Needed

Increase in business within a week
has been such as to require an ad-
ditional clerk at Fisher's Red Front
Variety store, which was literally
"cleaned out" by a bargain hunting
mob which attended the opening of
the new establishment at 212 East
Broadway last Saturday.
Patrons tell me that my store is
filling a long-felt need in Glendale.
said Mr. Fisher this morning.
"Within a week or ten days I shall
have the stock again normal and be
ready to meet all of the demands for
variety goods."

Do You Feel Dressed Up
in a Soft Collar?

As a nation, the war taught us neatness. Men learned the
value of trim dress. The passing of the soft collar and the
popularity of the starched is a result of that object lesson.
For it is a fact that no single detail of apparel adds so much
to a man's good appearance as a well-starched collar.

Our services are especially at your disposal for this item of
your dress. You send us your collars—we deliver them per-
fectly laundered, lustrous, immaculate, smooth and pearly,

Allied Policies For
Germany Being Drawn

LONDON, April 20.—Allied poli-
cies toward Germany were being
drawn to a focus today.
Faced with the necessity of reach-
ing an agreement before May 1, the
next two weeks promised to be filled
with conferences of the allied lead-
ers. The first of these will be held
over the week-end at the home of
Premier Lloyd George's millionaire
Secretary, Sir Philip Sassoon at
Hythe.

Premier Briand of France, accom-
panied by three generals, will en-
deavor to persuade Italy and Great
Britain that the only way to dispose
of the situation is to take military
action.

British authorities frankly won-
dered whether Germany will submit

LOCAL HIGH SCHOOL

LOSES GAME, 5-6,
TO ALHAMBRA

GLENDALE SCORES FIVE RUNS

IN LAST INNING, THEN
TWO TAKE AIR

The local high school baseball
team continued its losing streak yes-
terday afternoon by dropping a regu-
lar Central league contest to the Al-
hambra team by the score of 6 to 5.

After five runs had been scored
in the last inning and with the ty-
ing run on first base, members of the
local team made a rapid checking up
of happenings and when they saw
that Glendale really had a chance to
win, the next two batters proceeded
to strike out.

Although the game began rather
slowly, it later developed into the
most interesting and closely contest-
ed battles of the season. The Al-
hambra batters started things going
in the first inning when Kanamina,
their Japanese lead-off man, opened
with a Texas leaguer to right. The
next man fanned, but the following
four were given leases by erroneous
Glendale fielders, a quartet of runs
emanating from these four misplays.

Alhambra scored again in the
third inning when Dupuy got a triple
to left field and crossed the plate on
Houser's single to the same territory.

Again in the sixth they chalked up
another marker when Kanamina,
who lived up to the part of the yel-
low peril all afternoon, brought Wine
home from third on a hit through
third.

Real Excitement Comes
The real excitement of the day
came in the last inning when Glen-
dale suddenly came to life after one
was away. McDonald walked, stole
second and took third on Wood's in-
field hit. "Pete" Fruhling was also
issued a pass, filling the bases. The
next batter, Terzo of the Alps,
clipped the first ball pitched for a
clean double to center, scoring Mc-
Donald and Woods. McNary then
cleaned the bases with a "flukey"
home run through the right field
fence. It was at this stage when the
aforementioned "rechecking" was
made, and Dennison and Weetman
ended it all by whiffing the breeze
three times each. The score:

Case Of Frank Baker
Cause Of Much Concern

NEW YORK, April 20.—The case
of Frank Baker is causing the Trappe
farmer and his friends a lot of con-
cern.

The former home run king is hold-
ing a dark corner on the bench of the
New York Yankees waiting word
from Judge Landis.

In some manner unknown to the
club owners, Baker's name got on the
list of ineligible that Ban Johnson
turned over to the high commis-
sioner.

Baker was asked to give a full ac-
count of his activities last summer
when he played with independent
clubs.

Because there was little about
them to make a lasting impression,
the old Atlantic star could not give
the names of all the players who had
been on the opposing teams.

He resented the demand for an ac-
count of his activities until Miller
Huggins assured him that it was just
a part of the new regime of baseball.

The statement has been in the
hands of Judge Landis for several
weeks. Baker was concerned lest his
name be mixed in gambling or in
crooked baseball, but he has been
assured that his case is just one of
formality that will establish a pre-
cedent for Judge Landis.

Watching Scoreboard

Yesterday's hero—Meusel. The
Philly outfielder biffed one for four
bases in the eighth frame and the
Brooklyn bunch lost their fifth
straight game, 3 to 2.

Phil Douglass had a sore arm but
he worked out some of the kinks on
the Boston Braves, beating them 9
to 1.

Cleveland scores nine runs in the
seventh inning off Recruit Holling
and beat the Tigers, 12 to 3.

The Pirates got nineteen hits off
two Cub pitchers and won, 14 to 2.
Sam Rice got a home run, two dou-
bles and a single, helping the Sena-
tors cut down the Athletics, 14 to 6.

Hank Severid made an error and
saved the White Sox from a shutout,
the Browns winning, 4 to 1.

Rube Marquard was outpitched by
Jake May and the Cardinals beat the
Reds, 6 to 1.

Only Two Games In
Coast League Tuesday

SAN FRANCISCO, April 20.—Yes-
terday's ball games failed to make
any particular change in the aspect
of the coast league race, but they
served to amuse the fans consid-
erably.

Only two games were played. San
Francisco beat Vernon at Los An-
geles 8 to 0, and Los Angeles won
from Oakland at San Francisco, 4 to
2. The Seals made all their runs in
the first three innings, during which
they connected for most of their
fourteen hits.

The feature of the Los Angeles-
Oakland game was the way an-
cient Doc Crandall let the Oaks down
with four hits.

Sacramento and Seattle were trav-
eling and the Salt Lake-Portland
game was postponed because the
grounds were wet.

Four Boxing Bouts
For Legion Friday

Four four-round boxing matches
are slated for the American Legion's
monthly athletic meeting Friday
night at the clubrooms on East
Broadway. If the success of the first
show of the sort in Glendale is any
criterion the hall will be crowded to
capacity this Friday evening by 8
o'clock.

A new roped squared ring has been
specially made for the Legion and
the boxers will be given every oppor-
tunity of taking a hard fall without
hurting themselves on the big mat.

Muscle will intersperse the bouts,
which will be as follows, according
to Gordon Clayton, chairman of the
program committee:

Young Hodge vs. Essex at 120
pounds as an opener; Ralph Myers
vs. Harry Loomis at 130 pounds; and
Kid Hambley and Walter Dodge will
also meet opponents, probably Ver-
non talent. A wrestling match also
may be arranged between two of the
local muscle wrenchers.

Some FACTS About

Ford
THE UNIVERSAL CAR

Here are authentic figures from the Ford factory at Detroit. They show
you just how many Ford cars and trucks have been built each month since
January 1, 1921, and how many have been sold to retail customers, in the
United States.

	Produced	Delivered to Retail Customers
January	29,883	57,208
February	35,305	63,603
March	61,886	87,221
Total Production	127,074	Total Retail Sales 208,032

Showing that actual sales for the first three months of 1921 exceeded produc-
tion by 80,958 Ford cars and trucks!

April requisitions already specify 107,719 additional cars and trucks and the
estimated April output of the factory and assembly plants combined calls for
only 90,000!

These facts clearly show that the demand for Ford products is growing much
faster than manufacturing facilities to produce and were it not for the deal-
ers' limited stocks, which are now being rapidly depleted, many more cus-
tomers would have been compelled to wait for their cars. It will be only a
matter of weeks, therefore, until a big surplus of orders will prevent anything
like prompt deliveries.

If you would be sure of having your Ford car or truck when you want it, you
should place your order now. Don't delay. Phone us or drop us a card.

MRS. R. E. CHASE IS DIRECTING

WILLIAM FINDLEY, AGE 10, ON
BICYCLE, COLLIDES WITH
S. D. SMART'S AUTO

The Rev. Walter E. Edmonds has
been named by the Glendale Cham-
ber of Commerce as chairman of its
entertainment committee for the bal-
ance of this year. This special com-
mittee is necessitated by the hosts
attending conventions who will visit
Glendale. The latter part of June
there will be the State Christian En-
deavor meeting here with possibly
5000 in attendance and great ar-
rangements must be made for them.

Then, too, the visiting host of Elks
are expected to see Glendale which
reveals the task before the chairman
of the entertainment committee.

New members accepted yesterday
by the board of directors at their
weekly luncheon were W. A. Heit-
man & Company, A. Friedman &
Son and Ezra F. Parker. Attorney
Owen C. Emery was appointed tem-
porarily on the publicity committee
to confer with W. O. Bruess in nam-
ing any mills or factories which he
may construct on a tract of land just
west of Glendale the same as the city.
It is the belief of the Chamber that
"Glendale," on account of its na-
tionally known prosperity and un-
precedented increase in population,
will be an asset to any product
which can be marketed. In turn it
would advertise Glendale.

Petition to City Trustees
At Mr. Bruess' request, the board
went on record petitioning the City
Trustees to deliver a deed to the tire
manufacturer for one acre of land
which lies in the midst of the tract
which is under option as an indus-
trial site.

Should the City Trustees concur
in the plan, the land will be given
to Mr. Bruess at such a time as he
can show that he has purchased the
other acreage in the vicinity and is
ready to bring his industries here.

On account of the peculiar fact that
the city's acre is surrounded by land

ETHEL PRESTON AT HEAD CONVENTION ENTERTAINMENT

DELEGATES TO C. E. SESSION
WILL BE WELL GREETED;
CAPTAINS ARE CHOSEN

By GLEN and DALE
There is a committee in connection with the great state Christian Endeavor convention that, as yet, has not been introduced to the people of Glendale, so tonight we take great pleasure in presenting the entertainment committee, headed by Miss Ethel Preston as chairman.

Delegates will be coming to our city from all sections of the state and it is the easy task of this committee to secure entertainment for all of them. It is a big undertaking, and probably no one realizes just how much has to be done as the members of the committee, but if the present indications are to be rightly interpreted everyone who comes to Glendale will have a bed to sleep in—that is, if they want to sleep.

The second meeting of the committee was held last Saturday night at the home of the vice-chairman, Mrs. C. C. Stoler, 339 West Colorado, nearly all of the members so far chosen being present and all manifesting a splendid spirit of co-operation and enthusiasm.

Divided Into Districts
Our city has been divided into ten districts by the committee, with as nearly an equal population as could be, with one district for Eagle Rock and Burbank, each of which has a very competent captain chosen from one of the interested churches, supervising the work. These captains will each have their helpers to assist in the canvassing and during those eventful days in June.

Those already chosen as captains are Mrs. Hewitt, Mrs. James Newton, Mrs. Edwin Murphy, Mrs. Glenn Porter, Mrs. Frazee, Mrs. Warren West, Miss Evangeline Quackenbush, Miss Mary McMill, and Miss Sarah McNary of Eagle Rock. These ladies are all anxious to do their share towards making the convention a success, and only ask that the citizens of Glendale assist them as best they can.

Yours for a happy time, June 25-29!

Constance Talmadge's Film, 'Mamma's Affair'

Joseph M. Schenck believes in getting what he goes after. A striking example of that producer's zeal is contained in the announcement that Mr. Schenck has secured almost the entire original stage cast of "Mamma's Affair" for the motion picture adaptation, which stars Constance Talmadge and is now to be seen at the Palace Grand Theatre.

When Mr. Schenck first obtained the screen rights to Rachel Barton Butler's Harvard college prize play, he attempted to secure the services of Effie Shannon, Katherine Kaelred, George Le Guere and Gertrude Le Brandt, to support Connie in the picture. Owing to the fact that these players were under contract to Oliver Morosco for the stage presentation, Mr. Schenck tucked away the play in his desk and secured "Good References" as a starring vehicle for "Connie."

Even Schenck's friends thought that "Mamma's Affair" was forgotten, and great was their surprise when simultaneously with the announcement that the "Mamma's Affair" company had ended its road tour came another, that Mr. Schenck had secured all the above named players to appear in the screen version.

Clyde Cook in "All Wrong" keeps the audience mirthful while the "Jolly Robbers" overture by the Palace Grand orchestra made a decided hit at yesterday's performances.

It is the same show today. Tomorrow the Tuesday Afternoon club stages but one show at 8 p. m.

Mexico's Credit Is Best, Asserts Expert

CHICAGO, April 20.—Revolution-torn Mexico's credit is better than that of any foreign nation.

This was the opinion today of Paul W. Kunning, foreign trade expert and adviser of the Chicago Association of Commerce. Kunning based his information on investigations of credit men of commercial and industrial institutions of the midwest.

"Mexico is in a better position to pay than any other country," said Kunning. "Mexican business men are buying heavily. Textiles, mining and railroad machinery are the principal articles desired. The food drying industry is being rapidly developed in Mexico."

Development of the railroad facilities is bringing about better marketing conditions, Kunning said.

South America is dead commercially and her docks are swamped with materials, the association found.

You may be an undiscovered genius for a while, but if you are one you'll be discovered and if you are not it shows you are not a genius.

LOS ANGELES TO BISHOP ROAD RECORD LOWERED BY "STOCK" NASH SIX

A sensational performance feat that again proves the Power, Stamina and Roadability of the Nash Motor Car

NEW NASH RECORD---7 hrs. 22 min. 11 sec.

Former Motor RECORD---8 hrs. 9 min.

NASH SMASHES OLD RECORD by 46 min. 49 sec.

The remarkable power and roadability of the Nash Six, previously demonstrated in its round-trip record run between Los Angeles and Phoenix—a record which it still holds—was again proven. The Los Angeles to Bishop record, established yesterday morning, was made by the same stock demonstrator which achieved the previous record to the Arizona metropolis and return. Similar demonstrators are on our show room floor.

Remember that every Nash has the same wonderful performing qualities as this record-breaking car.

Dr. A. D. Cochran To Appeal From Decision

Dr. A. D. Cochran, chiropractor, 112 East Broadway, who was convicted by a jury in Judge Houser's court in Los Angeles of practicing medicine without a license, the complaint being instigated by the state medical board, and who was sentenced to ninety days in the county jail, declares that he will carry his case to a higher court. He has instructed his attorneys to take an appeal.

He Is Out on Bonds
Dr. Cochran some time ago was tried on a similar charge before Justice Miller of this city and held not guilty. Justice Miller declared that, as the evidence was presented to him, the practice of chiropractics was doing no harm to humanity.

Continue Probe Of Young Woman's Death

CHICAGO, April 20.—Authorities today continued investigation into the death of Marie Vance, daughter of Dr. William W. Vance, Glenview, Ill. The girl died April 5 in Los Angeles, Cal.

According to Dr. Vance, she met on the train a man who said he was Robert S. Lockhart, retired merchant of Covington, Virginia. They fell in love and were to be married. The two, the father said, furnished a "honeymoon bungalow" in Los Angeles.

The girl suddenly died and her body was shipped here in a sealed copper casket. Diphtheria was given as the cause of death.

The body was exhumed following a request of the father. Later he asked that the investigation be dropped.

The father said the girl willed all her property to Mrs. Flora Doldine, an aunt of Los Angeles.

Owen Moore's Comedy Picture At Glendale

Steve Perkins had a bright idea. He would borrow Percy Jones' wife. The inspiration back of this happy thought was caused by the fact that in order for Steve to acquire his inheritance he had to be either forty-four or married, and Steve was neither. CHURCH EDUCATION IS DIRECTED BY CARL SEITTER

REV. C. M. CRIST OF FIRST METHODIST TELLS SOME OF EVENTS PROPOSED

By REV. C. M. CRIST
Pastor First Methodist Church
Success has become the embarrassment of our church. It has made necessary innovations and advanced steps so that we may be able to adequately care for our splendid group of young people and the constituency for which we feel equally responsible. Provisionally, we believe, Carl Seitter is on the job as our Religious Educational Director. But what is that? Since our people are to make this departure a success by co-operation and by financial help we think they ought to know.

The work of a director of religious education is told briefly in his title. He is, indeed, to direct the educational activities of the church and to so enlarge the program of education that it will touch the whole community by its influence. The church has come to realize the high value of educational methods in training the religious life of the child. As a result, the demand has arisen for those trained to apply the principles of education to matters religious. This necessitates trained instructors, trained officers, selected and adapted lesson material to fill the needs of the growing child. It necessitates a co-ordination of the agencies of the church into a unit. It requires the use of modern methods of teaching. It requires means for the expression of impulses received.

Brief Outline of Work
The director of religious education should establish and maintain a Sunday school of high educational standards; graded completely, with choice and rich curricula, under the instruction of trained Christian men and women. It should maintain week-day activities for all within the church, utilizing existing organizations where necessary. He should maintain clubs for all groups. He should assist in outlining programs for the young people's societies. He should provide special schools of religious education, held during the week, in which courses of great value are given by prominent authorities. These courses may include "Child Psychology," "Teacher Training," "The Bible," "Problems of the Home," "Relation of Family Group to the Church" and many other studies of equally valuable and interesting nature. He should plan for the utilization of the spare time of the children of the community during vacation periods by the establishment of a Daily Vacation Bible school.

These are merely a few of the activities that lie within the field of the director of religious education. His field is unlimited in its possibilities. It is a growing field that is destined to become a stronghold of the church. We believe that our people generally will support to the best of their ability this honest effort to meet the needs of our growing church. Mr. Seitter will become well known to all of you personally, and will seek your earnest co-operation.

HELLO CENTRAL! Give me the Palace Grand. Palace Grand? Will you hold 'FOURTEEN' tickets for 'NEIGHBORS'? What? Tickets are going so fast you can't hold them? I'll come right over for them as I can't afford to miss the fun Thursday night.—Adv.

ANCIENT WINES PERFUMED
Greek and Roman wines were perfumed, generally by steeping the leaves of roses or violets in the liquor until it had acquired the odor of the flowers.

County W. C. T. U. to Meet
The Los Angeles County W. C. T. U. convention is to be held at Pasadena Thursday, Friday and Saturday. It will open with a banquet and reception tomorrow evening, to be followed by business sessions the two following days.

Favor Shown Actress Protested
It is declared prominent citizens of Santa Ana are protesting against the ultra-kind treatment that Bebe Daniels is being shown in her cell at the Orange county jail. The indignation which has been forming for several days crystallized yesterday when the letter of protest from a Los Angeles citizen to the board of supervisors of Santa Ana was made public.

Lemon Sea Shipment Success
Said to be in the best condition of any consignment of fruit that ever has been shipped from this coast to the Eastern seaboard, seven carloads of California lemons arrived in Philadelphia yesterday after having been eighteen days on the water, without refrigeration. Three carloads are reported to be in perfect condition, while the others suffered only a shrinkage of 3 per cent. This is considered to be an almost epochal feat in the history of the California citrus fruit industry.

Bowers Found Guilty of Murder
Charged with the murder of McCullough Graydon, a realty operator, Oscar A. Bowers was found guilty of murder in the first degree by a jury in Judge McCormick's court in Los Angeles last night. The jury recommended life imprisonment.

The slaying occurred last September at 36 Sherman avenue, Venice. Already sentenced to life imprisonment for the murder is Mrs. Maybelle Roe, said to be Bowers' sister. It was she who fired the shot that killed Graydon. Bowers was alleged to have aided and abetted her. In the county jail awaiting trial for murder in the same case are Edward A. Doane and wife, a gray-haired couple.

Admits He Is Burglar, Forger
In an amazing confession which Sheriff William Bright, F. M. Modie and Constable Ben Parker of Alhambra say they received last night in Los Angeles from Floyd Cedric Jump, bogus naval lieutenant, he admitted he was guilty of being a burglar, a forger, a thief, "and more, too."

Out of his grip Deputy Sheriff Bright took wrenches capable of prying any door open and of breaking the lock on a small safe. He had a candle and other utensils of a burglar's kit. Besides were a maze of check blanks, some on a bank in Long Beach, some on a bank in Huntington Park and a number of others.

Sea Swallows Lot of Liquor
Three hundred gallons of booze, until recently held as evidence in numerous cases against alleged bootleggers, was "fed to the fishes" yesterday afternoon from the Long Beach harbor jetties.

Two big municipal trucks hauled the illicit liquor to the harbor district, and after bottles and other containers had been smashed on the rocks, vats, coils and other apparatus that had been seized was broken to pieces and thrown into the ocean. The sole bit of liquor remaining in Police Chief Ben McLehdon's safe tonight is a bottle of corn whiskey, to be used as evidence in a case still pending. Hundreds of people cheered this afternoon as Commissioner Peek tipped the first barrelful of booze into the sea.

ENOUGH SAID
Frequently a question contains its own answer. Such a question was the one put recently by a Kansas young woman who had failed to qualify for a position as teacher. Feeling that she had not been considered, she wrote: "I think I am entitled to an exclamation of why I failed, anyway."

Don't go to the Palace Grand Thursday evening unless you want at least "FOURTEEN" good laughs with your "NEIGHBORS."—Adv.

CHAUTAUQUA

Make Chautauqua Week Your Vacation Week MUSIC

Chautauqua is a veritable festival of music. Lieurance's Little Symphony Orchestra is scheduled for two notable concerts. Then there is the Sam Lewis Company, headed by the prominent Welsh tenor, Sam Lewis; The Orpheus Four, America's foremost male quartet; The Jugoslav Tamburica Orchestra; Walter Jenkins; The Roach-Freeman Company. Twelve concerts in all—certainly the music alone is worth far more than the cost of the season ticket.

LECTURES

Many notables appear on the Chautauqua lecture staff this season. Stefansson, the famous Arctic explorer, is one of the headliners. Peter Clark Macfarlane, noted American writer, is another. Add to these two celebrities the name of Tom Skeyhill, just back from Russia, Hunt Cook of the Chicago Art Institute, Father Cronin and Burnell Ford, inventor and electrical scientist.

ENTERTAINMENT

An outstanding entertainment event is scheduled for the fifth night in a big play production presented by the Keighley Broadway Players with an all-professional cast. Another entertainment feature of note comes in the two programs to be presented by Ada Roach and Ruth Freeman on the second day. This is a duo with a country-wide reputation.

Substitute For Sales Tax Is Being Sought

WASHINGTON, D. C., April 20.—The substitute for the sales tax was being sought today by congressional committees handling revenue-raising legislation.

Members of the committees admitted that with defeat of the sales tax certain and with pledges made that this congress will eliminate or reduce excess profits, income and other taxes, they are uncertain where the government is going to get its money.

As a consequence the taxpayers cannot know for about six months how much the government intends to take from them.

"It will be at least September before the taxation legislation will go through," said Senator Penrose, chairman of the senate finance committee.

Opposition to the sales tax, which started when Republican Leader Mondell of the house, backed by the powers of his party and a flock of democrats, declared against it, was strengthened today by announcement from Senator Medill McCormick of Illinois that at least twenty and perhaps as many as thirty-five republican senators would fight it. The democratic opposition seems almost solid.

Senator Smoot, Utah, republican, and author of a sales tax bill, sensed its impending defeat, but declared he will fight for it just the same.

Girls probably are as modest as ever, but they're bolder about it.

SCENTS IN WOOD

With the woods of the world to choose from, one can easily arrange a whole scale of scents from the sweetest and most delicate of perfumes at one extreme, to rank and overpowerful odors at the other, says the American Forestry Magazine. The stores of the perfumer's shop will not yield a greater variety than one can find in woods.

SHOE THREE FEET LONG

The latticed snowshoe resembles in a general way a large tennis racquet, with the handle missing. The body of the shoe is two or three feet long and twelve inches or more wide at the broadest part, says the American Forestry Magazine. The rim is of ash, hickory or elm. The ski is made of beech, birch, maple, ash or spruce.
